United States District Judge

ATTACHMENT A

Balaci's guilty plea hearing cannot be further delayed without serious harm to the interests of justice because Balaci has specifically traveled from Germany during the global COVID-19 pandemic to plead guilty to the charge in the Superseding Information, and it is currently unknown when or whether Balaci, who normally resides in Germany, would be able to plead guilty to this charge if proceedings were delayed. Additionally, speedy resolution of the charges against Balaci by permitting the guilty plea will help narrow the scope of the case, which will preserve the Court's and the parties' resources. These specific circumstances are such that this hearing cannot be further delayed without serious harm to the interests of justice.
